3rd EDITION

A Message from your Community Association

Happy Fall Y'all! We have been so fortunate to enjoy the warm weather for as long as we have, with minimal winds to keep the colourful leaves on our trees. Westgate is looking exceptionally beautiful right now.

Thank you residents for attending our zoning meeting in September. We appreciate your attendance and perspectives regarding the future of our community. Please stay tuned for future communication with regards to developments in our area.

Our community association is always striving to increase our involvement with community members. If you would like to participate in any capacity, please contact Steph at the hall at info@westgatecommunity.ca or by phone at (403) 249-5656.

Our community clean up day was a huge success!

Our total waste collected for the day was: 16 010kg. We also received reimbursements to our community for collecting E Waste and Metals. E Waste return was \$526.50 and our Metals return was \$221. These funds will be put directly back into our community programs and events.

Compost Schedule Change!

A gentle reminder our compost bins will begin to be collected every **second** week starting in November.

HAPPY Halloween

Thursday October 31st is right around the corner! As always the hall will be open for trick or treating, a place for Halloweener's to warm up and a safe space for use of phone if needed. This year we are collecting items for the Calgary Foodbank. If you can donate a nonperishable item, please drop off when you visit the hall on the 31st.

Here are a few items to support a great Halloween:

- *SLOW DOWN! Children and youth will be all over our neighbourhood, often in costume that may not be reflective... DRIVE WITH CAUTION!*
- *Typically trick or treating begins at approximately 5:30 pm and ends around 8:30pm*
- *If you run out of candy, simply turn your porch light off*
- *If you visit an amazingly decorated home, post to our Facebook group for others to check out too*
- *HAVE A BLAST WESTGATE!*
